Meet the TEACHER

Welcome!

My name is Tera Burke, and this is my 14th year in the field of education. It's my 5th year teaching with Lindale ISD, and my 2nd year at Velma Penny Elementary.

My husband, Travis, and I have been married for 17 years. While we haven't had the opportunity to raise children of our own, we've been blessed to care for several rescued fur babies over the years. Our current furry companion is Newton, who brings so much joy to our home.

Throughout my career, I've had the privilege of teaching learners of all ages—from infants to adults. Helping others grow and succeed is one of my greatest passions. I truly believe every bit of progress, whether big or small, is worth celebrating.

Thank you for allowing me to be part of your child's educational journey this year. I'm looking forward to a wonderful year together!
