## **STRUCTURED LEARNING TEACHER**

My name is Ms. Phillips! I graduated from Colorado Christian University with my degree in Special Education in 2022. This will be my 2nd year as a Special Education teacher. I am a long time resident of Lindale and I attended all 13 years of grade-school in Lindale ISD. I am currently getting my masters in School Psychology at Stephen F. Austin State University and will be working towards a career as a School Psychologist. I am passionate about working with students of all abilities and I am so excited to be at Velma Penny!
