Meet The Teacher

My name is Mrs. Oliver

ABOUT ME

I started teaching in 1988. I've taught 1st, 2nd, 3rd, 5th, and Math Intervention. I taught in Van for 8 years before coming to teach in Lindale. This is my 30th year to teach, and I am so excited for a new year! I love spending time with my family, traveling, and watching the Aggies.

THE MATH ROOM

I've been teaching Mathematics for over a decade and hold a Bachelor's from Texas A&M.

I'm dedicated to making Math accessible and engaging. I'll create a supportive environment where students can thrive and develop critical thinking skills.

I'm passionate about numbers and problem-solving, and I believe everyone can excel in Mathematics.

MY FAVORITES

- Drink: Lemonade
- Snack: Cheese-Its
- Candy: Payday
- Store: Barnes & Noble, Lindale Floral
- Restaurant: Cane's/Chick-fil-A
