A LITTLE ABOUT ME

Hello! My name is Dina Dean. I am truly blessed to be part of the Velma Penny team! This is my 15th year teaching. I am teaching Special Education Reading 1st - 3rd again this year which I'm so happy about! :) I live in Lindale with my husband Ben and have two daughters Lily and Calla. When I'm not teaching I like to work in the yard, read, and occasionally exercise. I am so excited about this year and cannot wait to see my students!
