Hey there!

Welcome to First Grade! I am so excited to have you in my class this year! I am starting my 7th year working in education, and 5th year teaching First Grade! I am a graduate of UT Tyler with my Master of Education in Curriculum and Instruction! I have a 13 year old Son named Kash who makes life so much fun! In my free time I love traveling, being outside, and watching my Son play baseball! We are going to have such an amazing year! I can't wait to meet you!!
