Aboyt Me

This is a milestone year for me as I celebrate my 10th year in education! Having spent seven years as a teacher and two years as a school administrator, I am so glad to be right back where my heart is, in the classroom working directly with students

When I'm not teaching, I love spending time with my husband, Brad (we've been married for two years), and our pets: Odi (dog), Nala (dog), and Raven (cat). Our family is also growing in the best way possible, as we are eagerly expecting our first baby!

Get ready for a year filled with growth, learning, and lots of fun. I'm so glad you're in my class!
