ABOUT ME

I graduated from Lindale HS in 2005, and then from UT Tyler in 2012. I have only ever taught here in Lindale and I wouldn't have it any other way. My husband and I have two boys, Ian and Jace. Education has always been a priority in my life.

FUN FACTS

I have taught 1 st, 2nd, & 3rd. I love watching & playing baseball. I did not start out in the college of education, but rather was called to it and fell in love with it.
