

# Hello World Changers!

I can't wait to meet my new classroom family! This is my 11<sup>th</sup> year of teaching Elementary, and I have never been more excited to start the school year. I have been married to my amazing husband for 15 years. I have a son who is going into 6<sup>th</sup> grade and a daughter that will be in 3<sup>rd</sup> grade this year. They both attend Lindale ISD, the greatest school district on Earth! My goal is to help my students meet their full potential in Math and Science, feel loved, accepted, and safe. Let's learn together and go change the World!
